

Sponsorship Program

2018-2019

The Board of Directors of the Indiana Pressler Memorial Chapter HFMA has a Sponsorship Program to encourage and facilitate sponsorship by organizations and individuals. The goals of the Sponsorship Program are:

- Provide greater visibility and appreciation for our Sponsors.
- Provide additional financial resources to support Chapter activities and improve service to Chapter members.
- Define Sponsor participation in Chapter activities.
- Provide preferred opportunities to participate in Chapter activities for Sponsors who make a greater commitment to the Chapter.
- Provide for advance planning for Sponsors and the Chapter for advertising and financial requirements.
- Simplify the financial process for the Chapter and the Sponsor by providing advance payment for certain Chapter activities such as advertising.

To realize the above goals, four levels of participation for Sponsors have been established. The components of the program for each level of participation as well as various terms and conditions of participation for both Sponsors and Non-Sponsors are outlined below. Each Sponsor may only have one logo on the website and one listing in printed materials. If a Sponsor has more than one division, a separate sponsorship must be obtained for each one.

Advertisement and Logo Deadlines

Advertisements should be in high resolution .tif or .jpg with at least 300 dpi

The *Hoosier Times* is published four times during the chapter year. Files must be received by the **20th day of July, October, January and April** to be included in the next published issue. Any advertisements received after this deadline will be held and included in the next scheduled publication. Size of advertising for sponsors depends on the sponsorship level. To verify actual advertisement sizes or for any other questions regarding advertising in the *Hoosier Times*, please contact David Parry at inhoosiertimes@gmail.com.

Please send logos to info@hfma-indiana.org
