Rural providers now have additional reimbursement opportunities—and additional reporting requirements. Join BKD for this look at how your organization can capture additional revenue by billing for Chronic Care Management (CCM) and Advanced Care Planning (ACP) services. You'll also learn about the new detailed UB-04 billing requirements, criteria for rural health clinic (RHC) "qualifying visits" and the potential effects on cost reports.

### Learning Objectives

Upon completion of this webinar, participants will be able to:

- Identify when they can capture additional reimbursement by billing for CCM services
- Recognize how to bill for ACP services
- Describe the new detailed UB-04 billing requirements, criteria for RHC qualifying visits and the impact on cost reports
