

Joe Wolfcale
SVP Lab/Imaging & Consumerism, Parkview Health

Joe Wolfcale joined the Parkview Health team in 2017, after serving a decade as Chief Executive Officer for FW Radiology. Prior to that, he worked in manufacturing and marketing, cultivating an advanced expertise in strategic development, human resource management, servant leadership and financial management. Joe has an undergraduate degree in Business from Indiana University and a MBA from Michigan State University. He received additional certifications through Northwestern University and the University of Chicago. He has served on several local committees, including the Vision 2020 – Northeast Indiana Regional Partnership Board of Directors, and has enjoyed volunteering in the community.
